## Notice of Discontinuation (planned) of Industrial DC Current Sensor

We would like to express our sincere gratitude for your continued support of our products. We regret to inform you that the following products are scheduled to be discontinued: We kindly request that you consider replacing this product with an alternative option. Recommended replacement products may not be compatible with function, performance, installation, etc., so please contact our sales representative when considering replacement. Once again, we appreciate your understanding and cooperation in this matter. Thank you for your continued support.
